"Scribble, the book's main character, never thought he was different until he met his first drawing. Then, after being left out because he didn't look like everyone else, Scribble teaches the drawings how to accept each other for who they are. Which enables them to create amazing art together!"--

Line and Scribble is a picture book that celebrates imagination and friendship through simple shapes. Line and Scribble do things differently. Line goes straight while Scribble wanders. Line walks a tightrope as Scribble bursts into fireworks. Line likes to draw with a ruler, and Scribble, well . . . doesn't. But no matter how different they may seem, Line and Scribble always have enough in common to be best friends. • A friendship story that embraces differences instead of competing • Emphasizes how imagination, creativity, and art can change how we see the world—and each other • Promotes visual literacy, recognition, and learning to make connections From constellations to roller coasters and breadsticks to bubbles, Line and Scribble shows how the two can come together to create beautiful, moving, and delightfully unexpected results. This sweet book brims with opportunities for young readers to engage with the building blocks of familiar shapes (lines, circles, squiggles), as well as spotting

themselves and their family history. The honesty of Emi's struggle and fear to be herself will stay with you. This is not a facetious tale of triumph in one morning, but instead a grounded, hopeful story of a slow transition from fear to self-love. And ultimately, of being proud of who you are. Earthbred's beautiful tale of finding inner confidence and celebrating who you are gently drives the message home through Emi's story. It's all brought to life with beautiful vibrant artwork, celebrating diversity on every page. Designed for children aged 6-8, Earthbred is a prayer for family strength, offering empowerment for girls and boys alike, and as a result becoming one of the best finding inner peace books on Amazon. It joins other classics I'm Not Just a Scribble by Diane Alber and Only You Can Be You by Sally Clarkson. C.S. Drummond is the founder of Own My Canvas and brings the ethos of her self-empowerment studio to her debut book as it joyfully celebrates the same messages as the iconic Sulwe by Lupita Nyong'o and The Day You Begin by Jacqueline Woodson. Help your children own their canvas today with Earthbred: This Light of Mine! Simplified Chinese edition of Go Away, Big Green Monster!
